# 2010 VACo Achievement Awards

## Deadline for Entry: June 1, 2010

### Description

The VACo Achievement Awards is a competitive awards program open to local government members of the association. The awards program is held annually to recognize local government programs that exemplify innovation, model practices, partnering or collaboration with other local governments, a private enterprise or state and federal government. The competition will be divided into five population categories so that projects compete with other localities of comparable size. Please encourage all county departments to apply!

### Eligibility

All local government members of the Virginia Association of Counties, which are in good standing with the association, may participate. There is no limit to the number of applications a county may submit.

All applications must comply with the following standards:

1. The program must have become operational before Jan. 1, 2010, and must be currently operational.
2. Local government officials and/or staff must have played a significant role in developing and implementing the program, with only limited assistance from outside experts and/or consultants.
3. All steps in the application must be completed.
4. Awards will be given to departments or units, not individuals.
5. Programs that have received a previous VACo Achievement Award are ineligible.
6. The program must meet one or more of the criteria outlined below, and must be signed by the county administrator or chief administrative official before submission.

### Criteria for Selection

The nominated program must meet one or more of the following criteria:

1. Offer an innovative solution to a problem, situation or delivery of services.

3. Provide a model that other local governments may learn from or implement in their own localities.
4. Programs may be based on programs from another public or private entity but must represent innovative approaches or customization by the local government.

2. Entries must be typed and double-spaced. State the problem, challenge or situation faced by the locality and how the program fulfilled the awards criteria (innovation, partnering or collaboration and a model for other localities). Tell how the program was carried out, including financing and staffing, and the program's results. Be concise and submit no more than eight one-sided typed pages plus photos or supporting materials.
3. Include a short overview of the program (no more than one page double-spaced) that can be used as a quick reference guide for the judges.
