

COUNTY OF HENRICO, VIRGINIA
DIVISION OF POLICE

INTER-OFFICE MEMORANDUM

TO: County Manager SUBJECT: VACo Achievement Award:
LIRV

FROM: Chief of Police DATE: May 21, 2013

This nomination is submitted to the Virginia Association of Counties (VACo) under its 2013 Achievement Awards, Criminal Justice and Public Safety Program Category.

The Evidence and Logistics Unit designed and implemented in January 2011 the Division's Logistics Incident Response Vehicle (LIRV). Using a refurbished EOD truck and grant funding, the LIRV was born to:

- Meet NIMS/ICS standards,
- Assist with long-term tactical situation support, and
- Relieve Fire and other Police supporting resources during such situations.

The LIRV has been successful in reducing the more expensive use of Fire and Police personnel during extended tactical periods.

Please sign where indicated if you concur.

Thank you.

Douglas A. Middleton
Chief of Police

cc: Division Grants and Surveys Coordinator
