

## APPENDIX I

### Arthur Taubman Center & Visitor Center

This replica historic building once served as the welcome center for the living history park. Roanoke County is in the process of repairs and refurbishments to the building for use for revenue generating opportunities such as summer camps and community rentals.

### Taubman Center Work Completed To Date:

- Roof repairs
- Interior painting
- Replacement of back deck
- ADA standards upgrades
- Re-keying facility
- Door & hardware replacement
- Light flooring replacement
- Water system upgrades
- Occupancy changes

The Blue Ridge Parkway Visitor Center at Explore Park has been in continuous operation since the early 1990's. Only minor technology and security upgrades were needed. The building houses an information desk, museum, gift shop and audiovisual room.
