

**Wiley|Wilson** is a 100-percent employee-owned firm providing a wide range of architectural and engineering services from its Alexandria, Lynchburg, Richmond, VA; and Atlanta, GA, offices. Since its founding in 1901, the firm has built a solid reputation for producing innovative yet practical solutions to its clients' most complex challenges.

Wiley|Wilson combines the robust capabilities typically found in large firms with the responsiveness clients expect from a small company. The firm's diverse client base includes local governments, service authorities, institutional organizations and private-sector companies. Wiley|Wilson's full-service staff is committed to sustainable design and has LEED-accredited personnel in all disciplines.
