

With over 112 years of experience, Printelect is a full-service elections provider.

From Presidential to Federal, State, County and Municipal elections, Printelect excels in delivering the very best election products and services nationwide while keeping customer service and satisfaction top of mind. With an office in Virginia, our knowledgeable elections staff and superior customer service team provide you, the locality, with individualized attention to meet your unique needs and specifications.

We specialize in:

- **Equipment Sales & Field Services:** Printelect is the exclusive sales and service representative for Election Systems & Software (ES&S) in Virginia. ES&S is the largest voting solutions provider in the United States, with over 60% of the registered voters in America voting on ES&S products. With industry-leading equipment and innovations combined with our decades of experience and expertise, Printelect and ES&S have the ways and means to support election officials. We offer both new and used voting equipment in addition to certified repair and maintenance services.
- **Election Products:** Our all-encompassing product line ranges from accessibility ramps, to ballot bags, to signage for precincts and everything in between. As a turnkey provider, Printelect helps our customers achieve the benefits of streamlined communication, faster delivery, and combination pricing.
- **Ballot Printing:** As one of the largest ballot printers in the country, Printelect is able to offer ballot printing services that are easily scalable to

fit each customer's needs. We have the capacity to print one million ballots per week during any election cycle while maintaining the integrity of each ballot. With our extensive equipment knowledge, we are able to test everything from the precision of the format, information, color, image position, to the trim of the ballot.

- **Election Coding:** Election ballot coding is the comprehensive process of creating the appropriate ballot for each locality, based on jurisdictional information. Printelect provides coding services based on our superior level of service and expertise.
- **Mobile Voting Precinct:** Over the past decade, it has become evident that both responsiveness and flexibility in elections are crucial. This need energized the Print*Elect* team to create the Mobile Voting Precinct, a 38-foot custom vehicle equipped with registration desks, individual voting stations, ballot scanners, touchscreens and ADA voting equipment.

With a significant presence in the Commonwealth, our team has an intimate understanding of Virginia elections. Put our extensive experience with elections and voting equipment to work for you and learn why Printelect is the premier choice for your election needs.
