

VACo Committee Interest Form

VACo seeks county supervisors and executive staff interested in serving on steering and operational committees. The steering committees consider proposals from member counties for inclusion in VACo's legislative program.

They also provide direction to the VACo staff on policy issues arising from legislative and state agency studies. Steering committee members from VACo's 13 regions are selected to serve.

The operational and ad-hoc committees are responsible for helping direct the staff in the activities, programs and functions of VACo.

Attendance will be expected of committee members at the VACo Annual Meeting, and other committee meetings during the year. VACo asks that committee members or the counties they represent assume responsibility for travel arrangements and costs associated with attending committee meetings.
