

Visit Shenandoah County and the American Celebration on Parade Museum

Source: www.virginia.org

American Celebration on Parade at Shenandoah Caverns offers an up-close look at a unique collection of stunning parade floats, props, and stage settings from America's entertainment and political history.

This collection includes parade floats from the Rose Parade, Presidential Inaugurals, and other national celebrations. Children love the playful animation of the floats, while massive floats "they've only seen on TV" fascinate adults.

The building is available for events such as wedding receptions, banquets, corporate meetings and parties and will host periodic concerts.

Your combination ticket includes Shenandoah Caverns, Main Street of Yesteryear and The Yellow Barn.

Four great attractions for one price! Open all year. Located 2 minutes from I-81, Exit 269, five miles north of New Market, Virginia.
