

Carroll County, Virginia

Residential Building/Erosion & Sediment Control Inspector

Situated in the heart of the Blue Ridge, Carroll County, Virginia is a beautiful place to live and work, and we are currently seeking a Residential Building/Erosion & Sediment Control Inspector.

Reporting to the Building Official, the Residential Building/Erosion & Sediment Control Inspector performs skilled technical work performing field inspections and re-inspections of residential structures, land disturbing activities and related work as apparent or assigned for compliance with the Virginia Uniform Statewide Building Codes and the County's Erosion & Sediment Control Ordinance.

A High School Diploma or GED with moderate experience in building trades is required with knowledge of Erosion & Sediment Control preferred, or an equivalent combination of education and experience.
