

### The Community

Hanover County, located 10 minutes north of Richmond, Virginia, has a diverse population of 113,000 residents over 473 square miles. This vibrant and growing community is dedicated to serving its residents with exceptional services, like the Community Services Board (CSB). The CSB offers prevention, treatment, employment, and support services for individuals and families in the areas of mental health, development disabilities, and substance use recovery. Our mission is to provide a culturally sensitive, recovery-oriented and person-centered approach to empower individuals to lead satisfying and productive lives.

### PART-TIME SAME DAY ACCESS CLINICIAN

Hanover County, a proud recipient of the 2024 *Top Workplaces* award, is seeking a compassionate and skilled mental health Clinician to join our dynamic team of dedicated professionals in Same Day Access. Work alongside a supportive team to provide same-day behavioral health assessments to those seeking access to ongoing supports and serve as a critical link in supporting individual's holistic wellbeing. With opportunities to provide individual therapy and outreach, this opportunity is ideal for a motivated and independent clinician with interest in interdisciplinary work. Join an agency that values innovation, inclusivity, and collaboration, and take pride in shaping a brighter future for those we serve.

### Compensation and Benefits

Salary is dependent upon the experience and qualifications of the successful candidate. New graduates can expect to start at \$30/hour and are eligible for licensure supervision, assistance with licensure fees, and a flexible schedule. This is a partially-benefited position.
